LIESL METCALF AND PATRICK MALCOLM | 02.10.09 | VICTORIA

*Their Story* Liesl, an accountant and Patrick, a financial engineer, held an emotional ceremony at the Melbourne Town Hall for their intimate wedding celebrations. The couple chose an elegant theme with vibrant autumnal-inspired colours a feature throughout the day. The bride walked down the aisle to 'Throw Your Arms Around Me' played in acoustic guitar by a friend of the couples. "The highlight of the day was our first glance at each other as bride and groom" Liesl recalls.

"Our entire bridal party went to PELLEGRINI'S BAR to have photos and share a coffee. It was lovely to have a few quiet moments with our closest friends."
